## SUMMARY

Highly motivated and skilled Bsc. Computer Science graduate with experience in programming languages such as Java, C++, and Python. Strong knowledge of software development and a passion for problem-solving. Proven ability to work independently or in a team environment, with excellent communication and analytical skills. Seeking opportunities to further develop technical expertise and contribute to innovative projects in the field of computer science.

## EDUCATION

Bsc. Computer Science

Jun 2023 - Jun 2026

Anna Adarsh College for women

Hardworking college student and with the motivated attitude. Committed to contribute my expertise in a dynamic office and to show my learning skills.

HSC

Apr 2022 - Mar 2023

Daniel Thomas Matric. HR. Sec. School

The subject which made me in- depth to understand my present field. Where I also learn to survive and adapt in the new surrounding where I'm not familiar with. The stages where made me realise myself that how much I'm intended with the coding.

SSLC

Apr 2019 - Mar 2020

Sri.R K M Sarada Vidyalaya girls higher secondary school

The first stage where I learnt the important of studies.I ran behind the books only for the sake of marks but, when I'm in- depth into the book it may be to realise what is in it. It teached me that the world is shrinked inside the books.
